SPECIAL NOTICE

Watch For Our Garden Seed Prices

Our next price list will carry a complete list of the finest of Garden Seeds. Our beans are all grown in the far west, and all other seed are subject to careful handling and rigid tests. 1944 crop seed will be listed on our next price list.

There are many transportation difficulties at this time, and we expect even more as the Spring advances. Also, there are certain shortages. Therefore, we would suggest that you place your order well in advance of your needs in order that you may be assured of having your stock on time.

Mayo's are distributors of Acme Insecticides. Write for a complete price list of other insecticides than listed below.
